2019/02/07 Start: 16:34 UTC **End:** 16:56 UTC
Participants: Eric Loos, Steve McManus, Arnold Nipper, Florian Hibler, Greg Hankins

Agenda:
- Minutes of last call: status
- Follow up on action points: status
- Feedback on product manager job posting
  - Only one applicant so far - need to get the word out more
  - Posted on FB, Twitter, Linkedin
    - Greg will pin the posting to the top of social media
  - Could we post it on linkedin jobs? Add a line on the peeringdb.com page?
  - Should bring it up at APRICOT and NANOG
- Tutorial server
  - Don't need to announce this as beta, since it's separate from main site
- Rebranding
  - All ready to go
  - Reskin will land Friday after NANOG, before APRICOT for launch
  - Outreach will send out final tweaked version to committees for feedback when ready
- AUP for companies using peeringdb for a commercial product
  - Concern is that the AUP will change and break someone's product built on peeringdb
  - Director level decision if we need to give explicit permission to use peeringdb
  - Action: Add a line or two in AUP about reserving right to rate limit API requests to keep peeringdb performance acceptable to all users
- Feedback from PCOM to board
- AOB
